AMIN ULLAH

Web Developer (Frontend & Backend)

@ aminbackspace@gmail.com · https://www.linkedin.com/in/amin-ullah-3077973aa · ⚲ Pakistan

SUMMARY

I am a passionate Web Developer with strong skills in HTML, CSS, JavaScript, and PHP. I have experience building responsive frontend interfaces and dynamic backend systems using MySQL. I enjoy creating clean, user-friendly, and functional web applications and continuously improving my skills through real-world projects

KEY ACHIEVEMENTS

Boosted E-commerce Sales
Increased e-commerce sales by 30% in first quarter through optimized user experience and SEO strategies.

Enhanced Site Navigation
Developed 50+ HTML pages in three months, improving site navigation and user interaction.

Optimized Performance
Reduced website load time by 40% by optimizing images and implementing lazy loading techniques.

Managed Product Entries
Successfully handled 100+ product entries and updates using bespoke admin panel interface.
